

Organizational Membership Form

Thank you for your interest in becoming an organizational member of the Bridge Collaborative. Membership is open to all organizations actively working to advance cross-sector approaches for health, development and the environment. The Secretariat of the Bridge Collaborative approves organizational membership based on review of alignment with the Collaborative's mission and vision.

To submit your application, please email the completed form to info@bridgecollaborativeglobal.org. Along with your form, please submit a high-resolution digital version of your organization's logo to be included on the Bridge Collaborative website.

Organization Information

Organization name:

Organization website:

Organization mailing address:

Contact name:

Contact title:

Contact email address:

Organization type:

- Academic Institution
- Non-profit organization
- Private corporation
- Government institution
- Other (*describe*):

Sector(s): Please select all that apply

- Health
- Development
- Environment

Please briefly describe your organization's mission and primary area of focus:

How does your organization's work relate to the mission and vision of the Bridge Collaborative?

How might participation in the Bridge Collaborative benefit your organization?

What are the primary obstacles your organization faces to doing cross-sector work effectively?
(This helps us to continuously learn about how we might best serv our members).

At the discretion of each organizational member, voluntary financial or in-kind contributions can be made to support the operations and activities of the Bridge Collaborative, which may include meetings, webinars, projects, publications and/or other relevant activities. Contributions will also help to support core staff to develop and implement these activities. If you would like to make a voluntary contribution, please describe it in the box below. A Bridge Collaborative staff member will follow up to discuss further.
